Sort by relevance | Sort by date (new first) | Sort by date (old first)

[APPLICATION] Network security apparatus and method

US Pat. 10524273 - Filed Apr 14, 2004

[0011] In another general aspect, the network security method includes quantifying **damages avoided** by one or more **blocked attacks** and calculating security ...

Ultrasonic detection of high temperature hydrogen attack

US Pat. 5404754 - Filed Feb 10, 1993 - Shell Oil Company

7 8 face. Release the transducer when the average finishes. only the amplitude but not the waveform of the Plot the averaged display as the result of the ...

Image processing device

US Pat. 6267674 - Filed Jan 27, 1998 - Kabushiki Kaisha Sega Enterprises

... a flowchart for the CPU 101 to achieve predicting processing of **attacks**. ...
 F2 for **determining** the result of the attack between the player character ...

Progressive and distributed regulation of selected network traffic destined ...

US Pat. 6801503 - Filed Oct 9, 2000 - Arbor Networks, Inc.

... (DoS) **attacks** by regulating/limiting attack traffic within the 50 network,
 ... node from collateral **damages** caused by **attacks** on another network node. ...

[APPLICATION] Integrated game system, method, and device

US Pat. 11209489 - Filed Aug 23, 2005

A card with pillage automatically destroys an undefended standing card that it **attacks**. [0268] Pillage damage cannot be **avoided** except by deployment of ...

Unauthorized modification of values in flash memory

US Pat. 6757632 - Filed Feb 15, 2000 - Silverbrook Research Pty Ltd

3.8.2.13 Power Supply **Attacks** Instead of creating a glitch in the clock ...
 Damage to the rest of the circuit can be **avoided**, as described in 30 [3 1]. ...

Consumable authentication protocol and system

US Pat. 6816968 - Filed Feb 15, 2000 - Silverbrook Research Pty Ltd

The attacker was able to simply open those similar to the ROM **attacks** except ...
 chip in to the rest of the circuit can be **avoided**, as described in stages, ...

System and method for detecting buffer overflow attacks

US Pat. 6826897 - Filed Aug 30, 2000 - Symantec Corporation

Why Names of Deleted Files are Useful Heavily automated **attacks** are common, if not the current 50 standard. Many of these **attacks** are performed by "script ...

System and method for analyzing filesystems to detect intrusions

US Pat. 6647400 - Filed Aug 30, 2000 - Symantec Corporation

Why Names of Deleted Files are Useful Heavily automated **attacks** are common, ...
 Many of these **attacks** are performed by "script 55 kiddies": unskilled people ...

Image processing device for placing a player character in a virtual space

US Pat. 6652384 - Filed Jun 11, 2001 - Kabushiki Kaisha Sega Enterprises

... a flowchart for the CPU 101 to achieve predicting processing of **attacks**. ...
 F2 for **determining** the result of the attack between the player character ...

Result Page: 1 2 3 4 5 6 7 8 9 10 **Next**
